1. Mr. Saunders and I talked with George Harvey, Clerk of the House Appropriations Committee, regarding a request of Chairman Thomas, of the Independent Offices Appropriations Subcommittee, for testimony from CIA on 16 June. (See my memo to the Acting DCI this date).

2. Sen. Francis Case has sent one of his assistants to investigate certain areas of the Department of State, including Intelligence. He has raised questions regarding the activities of a group of people who are actually working on the NIS program in State, with CIA footing the bill.

3. [] Acting AD/IC, informed me that a group of investigators from the Subcommittee on Federal Manpower Policies of the Senate Committee on Post Office and Civil Service, are checking into certain external research contracts, including those []. He is preparing a statement as to the position we should take in this matter.
